A health plan that works for you.
Take advantage of it.

You’re invited to the UC Medicare Choice Educational Webinar & Teleconference for UC Blue & Gold Members transitioning into Medicare.

The University of California has selected UnitedHealthcare® to administer UC Medicare Choice, a UnitedHealthcare® Group Medicare Advantage (PPO) plan for UC Blue and Gold plan retirees in California.

This is your opportunity to learn more about the UC Medicare Choice plan offered through UnitedHealthcare. You can dial into one of these calls or log in online to learn more about the plan offering this year as you retire or approach the age of 65 and move into Medicare. We’ll cover everything you need to know about Medicare, UnitedHealthcare, and the benefits, services and programs that are included in the plan.
