Plan Details

UnitedHealthcare® Group Medicare Advantage (PPO)

The Group Insurance Board has selected a UnitedHealthcare® Group Medicare Advantage (PPO) plan to offer the It's Your Choice (IYC) Medicare Advantage option for your health care coverage. The word "Group" means this is a plan designed just for an employer group or plan sponsor, like yours. Only eligible state and local retirees can enroll in this plan.

"Medicare Advantage" is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You must be enrolled in Medicare Part A and Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with your local Social Security office. To find an office where you live, visit www.ssa.gov/locator or call **1-800-772-1213**, TTY **1-800-325-0778**, between 8 a.m. – 5:30 p.m., Monday – Friday.
- You must continue paying your Medicare Part B premium to keep your coverage under this group-sponsored plan. If you stop your payments, you will be disenrolled from this plan and enrolled in the IYC Medicare Plus plan.
- You can choose a different IYC Medicare Health Plan if you file an application with ETF within 30 days of the date you no longer have Part B. None of these plans, including IYC Medicare Plus, will pay the benefits Part B would have paid. You will be responsible for those claim costs.

Medicare Advantage coverage:

Medicare Part A
Hospital

Medicare Part B
Doctor and outpatient

Extra Programs
Beyond Original Medicare

How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan like the IYC Medicare Advantage plan.

✓ **One plan at a time**

- You may be enrolled in only one Medicare Advantage plan at a time.
- The plan you enroll in last is the plan that Centers for Medicare & Medicaid Services (CMS) considers to be your final decision.
- If you enroll in another Medicare Advantage plan after your enrollment in this group-sponsored plan, you will be disenrolled from this plan.
- Any eligible family members may also be disenrolled from their group-sponsored coverage. This means that you and your family may not have hospital/medical coverage through your plan sponsor or employer group.

✓ **You must have ETF group-sponsored coverage**

This IYC Medicare Advantage plan includes only medical coverage. It does not include prescription drug coverage. Your prescription drug coverage will continue to be provided by Navitus Health Solutions.

- Medicare requires that your Part D coverage come through a group-sponsored plan which you have through Navitus.
- There is no need for you to sign up for any additional Part D coverage as there may be consequences such as disenrollment from your Navitus plan.

View your plan information online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: www.UHCRetiree.com/etf

You'll be able to view plan documents, find a provider and access lifestyle and learning articles, recipes, educational videos and more.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

²Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

Getting the health care coverage you may need

Your care begins with your doctor

- With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network.
- Unlike most PPO plans, with this plan, you pay the same share of cost in and out-of-network as long as they participate in Medicare and accept the plan.
- With your UnitedHealthcare® Group Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life.

Finding a doctor is easy

If you need help finding a doctor or a specialist, just give us a call. We can even help schedule that first appointment.

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the UnitedHealthcare® Group Medicare Advantage (PPO) plan you can see any out-of-network provider that participates in Medicare and accepts the plan. You pay your plan's copay or coinsurance. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the plan, we will contact them on your behalf.

Choosing a Primary Care Physician (PCP) or Primary Care Clinic (PCC)

ETF requires you to choose a PCP or PCC before enrolling in the IYC Medicare Advantage plan. You may write your choice on your health insurance application, or, after you are enrolled, call UnitedHealthcare to name your choice. If you do not choose a PCP or PCC, UnitedHealthcare will select one for you. You can change this at any time by contacting UnitedHealthcare.

Take advantage of UnitedHealthcare's additional support and programs

Annual Wellness Visit¹ and many preventive services at \$0 copay

An Annual Wellness Visit with your doctor is one of the best ways to stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. You may also be eligible to earn a reward for completing your Annual Wellness Visit through Renew Rewards.

Enjoy a preventive care visit in the privacy of your own home

With UnitedHealthcare® HouseCalls, you get a yearly in-home visit from one of our health care practitioners at no extra cost. A HouseCalls visit is designed to support, but not take the place of your regular doctor's care.

What to expect from a HouseCalls visit:

- A knowledgeable health care practitioner will review your health history and current medications, perform health screenings, help identify health risks and provide health education.
- You can talk about health concerns and ask questions that you haven't had time to ask before.
- HouseCalls will send a summary of your visit to you and your primary care provider so they have this additional information regarding your health.
- HouseCalls may not be available in all areas.

NurseLine

Receive access to nurse consultations and additional clinical resources at no additional cost to you.

Special programs for people with chronic or complex health needs

UnitedHealthcare offers special programs to help members who are living with a chronic disease, like diabetes or heart disease. You get personal attention and your doctors get up-to-date information to help them make decisions.

¹A copay or coinsurance may apply if you receive services that are not part of the annual physical/wellness visit.

Virtual Visits

See a doctor or a behavioral health specialist using your computer, tablet or smartphone. With Virtual Visits, you're able to live video chat from your computer, tablet or smartphone – anytime, day or night. You will first need to register and then schedule an appointment.
