

## Helpful information when you go to the doctor and other health care providers

With the HealthSelect<sup>SM</sup> Medicare Advantage (MA PPO) plan, you can see doctors and other health care providers that are in and out of our network at the same cost share as long as they participate in Medicare and accept the plan. You'll find helpful information to share with your doctor at the back of this page.

### Going to an in-network doctor or health care provider

#### Who is an in-network doctor?

A network doctor or health care provider is one who contracts with UnitedHealthcare to provide services to Medicare-eligible members.

#### What do I pay?

Your doctor or health care provider will bill UnitedHealthcare for the cost of your service(s).

#### Can an in-network doctor refuse to see me?

If you are an existing patient, the doctor or health care provider must continue to see you. An in-network doctor may choose not to see you if they have not seen you before and if they are not accepting any **new** Medicare patients.

#### How is the doctor paid?

The doctor or health care provider is paid according to their contract with UnitedHealthcare.

### Going to an out-of-network doctor or health care provider

#### Who is an out-of-network doctor?

An out-of-network doctor or health care provider does not have a contract with UnitedHealthcare.

#### Can I see any out-of-network doctor?

You can see any out-of-network doctor or health care provider who participates in Medicare and accepts the plan. Accepting the plan means the doctor is willing to treat you.

#### What do I pay?

UnitedHealthcare will pay for the cost of your covered service(s).

#### Will the doctor bill UnitedHealthcare?

If a doctor or hospital refuses to directly bill UnitedHealthcare, they may ask that you pay the full allowable amount. In that case, you can pay the doctor and then submit your claim to UnitedHealthcare. You will be reimbursed for the cost of the claim less any applicable coinsurance.

#### What if my doctor says they will not accept the plan?

We will be happy to contact your doctor on your behalf to explain how the plan works. Usually, that is all that is needed. Call the UnitedHealthcare Customer Service phone number below if you have questions.

# UnitedHealthcare® Group Medicare Advantage (PPO) Plan

We look forward to working with you as you deliver care to UnitedHealthcare Group Medicare Advantage (PPO) plan members.

## Providing Care to Members

Preferred provider organization (PPO) plans offer members access to a network of contracted local physicians and hospitals, but also allow them the flexibility to seek covered services from outside of the contracted network. Members do not need a referral for care.

Members of this plan can see any care provider, even those not participating in the UnitedHealthcare network, as long as the care provider:

- Participates in Medicare
- Accepts the plan
- Hasn't opted out of Medicare
- Isn't on the excluded or precluded list for Medicare

## UnitedHealthcare Group Medicare Advantage

UnitedHealthcare Group Medicare Advantage plans are only offered to groups such as employers, unions and government sub-entities. These plans provide group retiree Medicare beneficiaries with a variety of health care benefit plan choices, often with more benefits than those provided by Original Medicare. Plan members are still covered under the Medicare program and have federally regulated rights and protections.
